What To Do When You Don’t Know What To Do

- When you don’t know what else to do—keep doing what you know to do. You may not feel like it, but do it anyway.

**Thoughts To Take Home:**

1. **Keep the right Attitude: I Thessalonians 5:16-18**
   - Your attitude affects everything—from your own life, your atmosphere, and even others.
   - We have to remember that we set the tone for our day with our own attitude.
   - Attitude is a decision we have to make. Psalm 50:23
     A. Choose to have a thankful and grateful attitude.
     B. Choose to smile throughout your day.

2. **Keep going to Church: Hebrews 10:25**
   - When you come to church, you are placing yourself in a position:
     - to hear a fresh word from God.
     - to be encouraged.
     - to participate in anointed worship.
     - to receive power-filled prayer.
     - to be covered by a Pastor who loves you, watches over you, and helps you grow spiritually.
     - where the anointing of the Holy Spirit is present to break yokes and bondages over your life.
     - where you can have fellowship with believers.

3. **Keep spending time with God on a daily basis: Psalm 16:11**
   - God is your Friend and you can receive daily deposits from Him.
   - Spending a few minutes every day alone with God is refreshing and powerful and life-changing! Revelation 3:20

4. **Keep your mouth and words in control: Proverbs 12:14**
   - We have to ask ourselves: Is our mouth hindering the answer to our prayers? Are our words limiting God in any way?
   - Your words are like a rudder on a ship that steers the course of your life. That’s why it is so important to make sure our words are in line with God’s words. Deuteronomy 30:19, Proverbs 18:21
   - Start speaking power words over your life, your circumstances, your family, and your destiny.

5. **Keep the right friends: Proverbs 12:26**
   - Are you hanging out with people who are pulling you down? Do you have friends that are tempting you to sin—or discouraging you? Proverbs 27:17
   - Let’s make sure we surround ourselves with the right people.

6. **Keep sowing into the Kingdom of God and into the lives of others: Galatians 6:9**
   - When you have problems, it’s not the time to sit down and do nothing. If you need a harvest, you have to keep sowing into the lives of others.
- Even when you have financial struggles, it is not the time to stop giving your tithe to the Lord. Leviticus 27:30 says that the tithe belongs to the Lord and it is holy unto Him. Genesis 26:1-12

7. **Keep Persevering: Hebrews 12:1**

- This is a major key that may be the hardest one to do. When you have done all you know to do—don’t give up. This is where we have to exercise patience, perseverance, and **persistence**! Hebrews 10:35-36, Ephesians 6:13 (Amplified)
